Dear MSLBMDA Member:

August 5, 2010

I am writing to introduce AmerAssist A/R Solutions, Inc. – a new **Mountain States Lumber & Building Material Dealers Association recommended service provider** – and the programs they offer our lumber and building materials dealers.

AmerAssist is one of the nation's leading providers of accounts receivable solutions and collections. We specialize in our industry. In today's challenging economic conditions, it's more important and necessary than ever before to protect your organization's cash flow. AmerAssist offers you full-service cash flow management and collection programs designed to work as an extension of your internal staff to recover and safeguard your delinquent receivables. **AmerAssist has developed a program specifically for MSLBMDA members.** In addition, members are eligible for exclusive member discounts.

The AmerAssist program offers important credit and collection benefits including:

- **Full-service collections** including calls by **professional collectors** during the daytime, evenings and weekends as necessary to recover your money.
- **Fees as low as 10%** regardless of the size of the account.
- **Custom Account Auditing** to quickly **recover accounts without customer alienation.**
- **Every available remedy** including filing non-responsive debtors with credit bureaus nationally and litigation, when appropriate, at AmerAssist's expense.
- Our Internet-based programs are **easy to use** and are **a cost-effective alternative to liens** to quickly bring money back into your business

For additional information, or to schedule a no-obligation receivables analysis, simply contact AmerAssist at **(877) 207-9215** or on the web at www.amerassist.com/ars/affinity. We appreciate your consideration and know you will find AmerAssist's services a valuable business tool. Thanks so much!

Very truly yours,

Geri Adams

Geri Adams
MSLBMDA Executive Vice President

P.S. The receivables consultation is FREE and it will assist in bringing money back into your business.
