

Blueprint Reading and Material Take Off Workshop

MSLBMDA will be conducting its popular Blueprint Reading & Material Take-Off Workshop on October 15th and 16th in Albuquerque, Guardian Conference Room, 5851 Edith Blvd.

Workshop hours are 8:00 am to 5:00 pm on both days. WBMA's Executive Director, Casey Voorhees, will provide 2 full days of instruction and discussion of residential construction methods, blueprint reading and material take offs. Attendees will receive hands-on experience figuring an actual set of working drawings.

Material covered in the workshop will be:

- **Blueprint Reading Wall Framing**
 - **Scale Usage Siding & Exterior Trim**
 - **Estimating Formulas Roof Systems**
 - **Common Material Applications**
 - **Hip, Valley & Floor Layout**
 - **Jack Rafters**
-
- Attendees will learn basic blueprint reading by identifying lines, symbols and details while developing an understanding of elevations, floor plans, framing and sectional views.
 - Students will be introduced to various residential construction methods and estimating formulas while working on a basic single level home with a trussed roof.

Attendees are required to bring a calculator and pencils.

- Special Rate for MSLBMDA Members - \$495 per attendee
 - Non-Members - \$695 and must be paid in advance
- ***Fees include lunch, course manual, blueprints, architectural and joist/truss layout scale.***
