

Our **2014 LOY** is a California native who followed in his father's footsteps to the lumber and building materials industry. After moving with his family to CO, he grew up in Fort Collins. During his high school years, our LOY worked for Wickes in Fort Collins and later for Wickes in Longmont.

In 1988 our LOY went to work for Diamond Lumber in Fort Collins. A 1990 Graduate of Colorado State University, our LOY is still a strong supporter of the RAMS and CSU football!

After going through training with BMC West, our LOY landed for a short time in Idaho, but came back to Colorado and in August of 1991 married the "younger woman" he met years earlier when he was in 9th grade and she was in 8<sup>th</sup>.

January of 1992 marked the beginning of a career with Alpine Lumber Company when he was hired as the Operations Manager for their Parker, CO yard. In June 1993 our LOY was promoted to Assistant Manager of the Parker yard, to Manager of that yard in February 1995, and in August 2010 was transferred to the Frederick yard as Manager. His father Jim also has the pleasure of working for his son there.

Blessed with an amazing, strong work ethic, our LOY gives his all to his company and the industry and has served on the local Home Builders Association board and their Associate Member Council. Word has it, after of full day of work, he does like to unwind with a tall rum and coke at night!

With his family at his side our LOY serves meals at the Denver Rescue Mission, sponsors a family in need at Christmas, reaches out to children in need at the holidays, and is always willing to help with efforts on behalf of Easter Seals.

Our LOY is devoted to his family – his wife Kim and sons Kyle and Keegan, and his parents Jim and Linda.

Please join us in congratulating and recognizing our Mountain States Lumber Dealers 2014 Lumberman of the Year, **Kevin Pask, Manager of Alpine Lumber Company, Frederick.**
